Katy ISD requires students to ride to and from all required activities, competitions, and performances in district-provided transportation. In circumstances where participation in an activity, competition, performance, and/or elective course is optional, Katy ISD is not required to provide transportation; however, in some cases district-provided transportation may be available or may be required for certain activities by the sponsor. **For optional activities, competitions, performances, and/or elective courses only**, a parent may give consent to allow their child to drive to an activity or to arrange another means of transportation, or an adult student (18 years of age) may also choose to drive himself/herself to an activity or to arrange another means of transportation. In addition, Katy ISD parking permit privileges are only issued to students who agree to participate in the random drug testing program.* Written permission for student/parent-provided transportation must be approved and on file with each teacher/sponsor and the campus principal for a student to be allowed any of these privileges.
