SPARTAN BAND

Dear Community Member,

We invite you to partner with one of the nation's premier high school music programs—the Seven Lakes High School Band. Our students' dedication, artistry, and pursuit of excellence have earned the program national recognition and the highest honors in music education. In 2024, the Seven Lakes Band was awarded the prestigious **John Philip Sousa Foundation's Sudler Shield**, an international distinction recognizing exceptional achievement, innovation, and musical excellence in high school marching bands. Our program has also advanced to the **UIL 6A State Championships every eligible year since 2018**, earning **State Finalist honors in 2020, 2024, and 2025**. Beyond the marching field, our **Wind Symphony advanced to the State Semifinals of the 6A Texas Music Educators Association Honor Band competition**, and this spring, our **Seven Lakes Percussion Ensemble will represent our community on a national stage as a featured ensemble at the Music for All Percussion Festival in Indianapolis**.

These accomplishments are made possible through unwavering community support. More than one-third of our annual budget comes from fundraising and sponsorships, which directly fund essential resources such as world-class clinicians, master-level instruction, competition travel, marching show production, and scholarships that ensure every student has the opportunity to participate—regardless of financial circumstances.

Your sponsorship is an investment in excellence, education, and opportunity. By supporting the Seven Lakes Band, you help empower dedicated students, elevate arts education, and connect your organization with a proud, engaged, and far-reaching community.

Enclosed, you will find our sponsorship proposal outlining contribution levels and associated benefits. We would be honored to partner with you and welcome the opportunity to discuss how your support can make a lasting impact.

Thank you for considering an investment in the arts and in the students of Seven Lakes High School. Together, we can continue to inspire excellence and achieve greatness.

Sincerely,

John Mays
